Your message to us / Additional Error Description:

Any and all damage or loss during shipment is at the owners own risk.
All instruments returned are subject to a minimum inspection fee regardless of work carried out (unless found to be warranty). This inspection fee will depend on the time and effort used in fault analysis. Instruments returned without adequate fault details may be subject to additional labour costs. By returning the instrument you are agreeing to Xylem Analytics Germany Sales GmbH & Co. KG terms and conditions.
